1. The Dog Days of Summer
2. National Hot Dog Month
3. National Parks & Recreation Month
4. Smart Irrigation Month
5. Heat Safety Awareness Month
6. All of the Above

When you visit **State of Vermont Online University**, you'll find courses that are perfect for July. From Hazard Communication, to Quality Service in the Public Sector, to this month's featured course, **"Working Outdoors in Warm Weather"**, there's a course for you!

While we can't do much about the Dog Days of Summer, you can train anywhere you have a computer and an internet connection. (we recommend a nice cool room that's mosquito-free—July is also Air Conditioning Appreciation Month!).
