

**The most popular car color in
Vermont this winter is...**

white.

White Snow.

Black Ice.

Grey Sleet.

**State of Vermont
Online University**

wants you to be safe!

**That's why our featured course
this month is**

Winter Driving Safety

**Take 60 minutes to learn driving techniques for
adverse winter weather conditions, including
defensive driving, accident prevention methods,
the impact of drinking and driving, vehicle safety
measures, personal safety considerations,
and actions to take for breakdowns or accidents.**
