Coverage For: State of Vermont **Plan Type:** POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, http://humanresources.vermont.gov/salary/benefits/open_enrollment or by calling (888) 778-5570. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call (800) 255-4550 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall **deductible**?	$0 individual / $0 family preferred provider. $500 individual / $1,000 family non-preferred provider. Co-insurance and co-payments do not apply to the deductible. The deductible for preferred and non-preferred providers is separate.	Generally, you must pay all of the costs from providers up to the deductible amount each plan year before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. Your plan year: 01/01/2023 through 12/31/2023. We apply any portion of your deductible that you pay for services occurring after September 30 each plan year towards your next year's deductible as well.
Are there services covered before you meet your **deductible**?	Yes, preferred preventive services, non-preferred preventive mammography screenings and prescription drugs	This plan covers some items and services even if you haven't yet met the deductible amount. But a co-payment or co-insurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other **deductibles** for specific services?	Yes. $50 individual / $150 family prescription drug deductible.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the **out-of-pocket limit** for this plan?	$1,500 individual / $3,000 family preferred and non-preferred provider. Prescription drugs: $750 individual / $2,425 family (Generic, Formulary Brand, Specialty drugs); $1,350 individual / $2,700 family (Non-Formulary Brand drugs)	The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the **out-of-pocket limit**?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a **network provider**?	Yes. See www.bluecrossvt.org/find-doctor or call (800) 255-4550 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). For certain emergency services and/or services at an in-network hospital or surgical center (as explained below), the maximum amount you may pay is the plan's in network cost-sharing amount. In these circumstances, the providers cannot balance bill you. Check with your provider before you get services.

*Deductible applies to these services.
