

SUNY Plattsburgh

Career Development Center
Internship Offerings

About SUNY Plattsburgh:

- Part of State University of New York System (SUNY), 64 campuses
- 5,700 undergrad & grad students
- 3 Academic Divisions (60+ majors):
 - [School of Business & Economics](#)
 - [School of Education, Health and Human Services](#)
 - [School of Arts & Sciences](#)
 - Popular programs include: Business, Communications, Public Relations, Marketing, Education, Psychology, Nursing
- Vermont our largest out-of-state student population!

Our Internship Programs

- Offer both for-credit and non-credit experiences
- Career Development Center can serve as single point of contact for information and posting positions
- Who oversees internships largely depends if it is a for-credit, or non-credit experience
 - For-Credit, oversight from academic department
 - Non-Credit, oversight from Career Development Center

Internship Highlights:

- 75% of our students do some sort of Applied Learning required by their major
- 400+ internships per year
- Local, Regional, National, International sites.

Process for Developing an Internship

- Contact the Career Development Center's Applied Learning Specialist Mr. Morgan Pellerin
- Phone consultation regarding internship description, activities students would be engaged in, and supervision. Possible site visit.
- Once approved, the position is posted in our [online job board](#), raise awareness with intended majors.
- sunyplattsburgh-csm.symplicity.com

Process for Developing an Internship Cont'd

- On the internship posting, you determine how you want students to apply
- Interview candidates, select who you deem is best
- If you select one of our students, notify us.
- Complete either for-credit or non-credit statement of expectations.
- Complete final evaluations for students.

Paid vs. Unpaid

- Since the State of Vermont is a non-profit entity, and can have unpaid interns.
- Regularly post paid and unpaid internships
- To recruit top talent, recommend stipend or paying interns
- NYS Government internships typically pay students minimum wage

Internship Profile

Typical Internship Sites Include:

- NYS Government
- Local and Regional Non-Profits
- Hospitals and Schools throughout the Northeast
- Marketing & PR Firms
- Several businesses across NE & NY
- 160+ internship programs posted this past year for non-credit opportunities
