### SSAE 18 (SOC 1) TYPE II REPORT

ASIFlex is pleased to announce the successful completion of its 2017 Standards for Attestation Engagements SSAE 18 (SOC 1) Type II audit. Now more than ever, independent audits like SOC 1 Type II are imperative for protecting confidential information and verifying proper controls and processes. Completion of the SSAE 18 requirements reflects ASIFlex's commitment to providing its clients with the highest standards of controls, processes and procedures to safely manage critical information and applications.

To ensure a comprehensive audit, ASIFlex identified primary areas of control including core business processes, systems, management, physical security, and logical access to data and systems. The successful completion of the SSAE 18 Type II audit demonstrates that ASIFlex has adequate controls and safeguards and reflects the significant investments ASIFlex has made in technology, staffing, and quality assurance programs.

ASIFlex completes this audit annually to provide our clients with confidence that we take every measure to ensure their data is protected. The confidential report is available to ASIFlex and ASI COBRA clients upon request. Contact [marketing@asiflex.com](mailto:marketing@asiflex.com) for information.
