CONDITIONS AND OPERATIONS

1) New Appointees: Salaries for new appointees shall not exceed the minimums of the Staff Level Hiring Range without prior and specific approval, for good cause shown, from the Department of Human Resources as the Governor's designee. All requests must include a completed Exempt Salary Approval Form along with copies of the applicant's resume, interviewer's comments, and any other information (e.g., reference checks of past employers) which substantiate the salary and staff level being requested. No specific salary offer may be extended until the Department of Human Resources as the Governor's designee has approved the request.

2) End Of Probation Increase: At the completion of the probationary period (normally, six months), new appointees may receive an increase in base salary of up to 3% for satisfactory performance, and up to an additional 3% merit for performance which exceeds what is normally expected of the position. The individual's supervisor should submit a completed Exempt Salary Approval Form and an evaluation of the individual's performance which supports the request.

3) Merit Pay: Staff shall be eligible for a non-recurring bonus of up to 8%, or base salary increase of up to 7% for documented short or long-term commendable performance. Both an Exempt Salary Approval Form and an evaluation of the individual's performance must be prepared by the appropriate supervisor and submitted to the Department Head or Appointing Authority for review and approval. If approved, the request must then be submitted to the Department of Human Resources as the Governor's designee for final review and approval. Effective dates of any merit pay adjustment will be the first pay period following the Department of Human Resources' approval. Absent extraordinary circumstances, no more than one merit pay increase will be approved within any 12-month period.

4) Annual Increase (COLA): Staff may, for satisfactory performance, receive an increase of up to the cost of living percentage increase approved by the legislature for salary adjustment to exempt employees.
