

Request for Waiver of Temporary Employee Hours

Requests are required for temporary employees expected to work over 1,280 hours in a calendar year. 3. Explain why the temporary employee(s) cannot stay within the original requested hours for the Calendar Year.

4. Explain why additional, or other existing, temporary employees cannot be assigned more hours to ensure all stay within the hour limitation. This question is especially important for 24/7 operations.

5. Explain why classified employees cannot perform the work within their regularly scheduled hours to avoid overuse of temporary positions.

6. For departments with a position pilot program (as authorized by Act 179, Section E.100(d)): Explain why the temporary positions associated with your waiver request are not candidates for conversion under the terms of the pilot.

7. Is there an expectation that the temporary position(s) associated with your waiver request will be needed on a continuing basis to perform an ongoing function? If yes, please explain. If no, how long do you anticipate needing the temporary position(s)?
