All requests must include a completed Exempt Salary Approval form along with a copy of the applicant's resume, interviewer's comments and/or rating form, and any other information (e.g., reference checks of previous employers) which substantiate the salary being requested. No specific salary offer may be extended until the Department of Human Resources as the Governor's designee has approved the request.

2) End Of Probation Increase:

At the completion of the probationary period (normally six months), new appointees may receive an increase in base salary of up to 3% for satisfactory performance, and up to an additional 3% merit for performance which exceeds what is normally expected of the position. The Appointing Authority should complete an Exempt Salary Approval form as well as an evaluation of the individual's performance which supports the request and submit both to the Department of Human Resources for final review/approval.

3) Merit Pay:
