

# Promote your jobs and hire faster

Indeed's job search engine includes millions of jobs from thousands of sources. Sponsored Jobs are displayed prominently and appear more often in search results, so you can reach the right talent faster.

## Sponsored Jobs are 3.5X more likely to result in a hire<sup>1</sup>

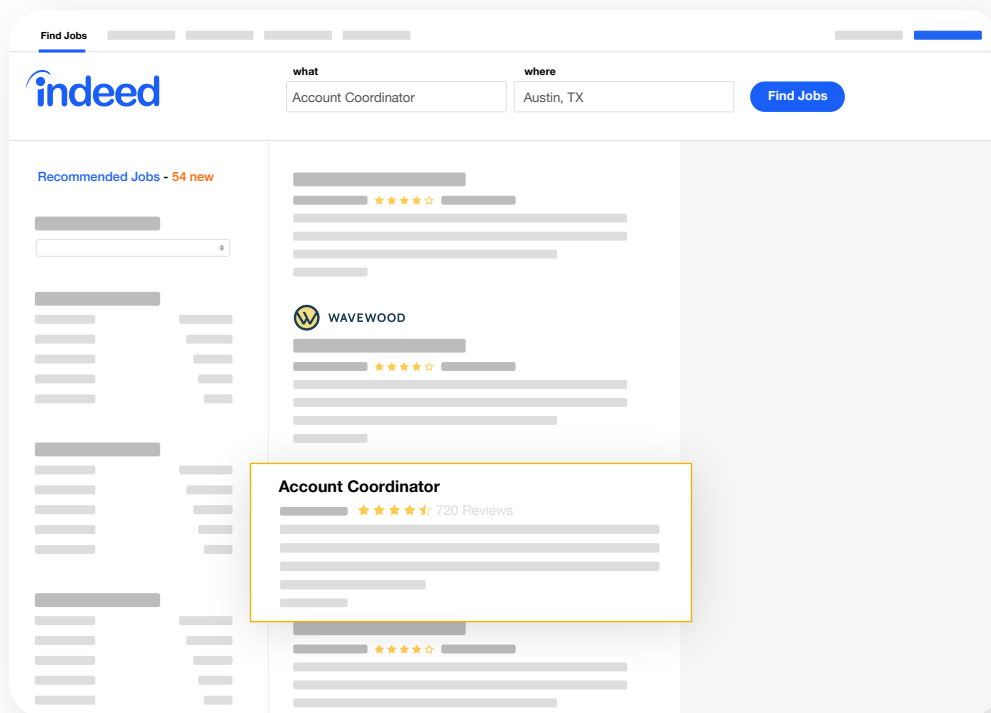

Sponsored Jobs have greater visibility in search results, which makes them more likely to result in a hire.

## Reach the right talent

Candidates on Indeed enter keywords relevant to their interests and background. Sponsored Jobs appear in results only when the job description and location match the keywords entered.

## Only pay for results

Set your own budget with Indeed's pay-for-performance model, with no contracts or up-front fees. You only pay when someone clicks on your job. This is just one of the reasons why 1,400,000 employers have Sponsored Jobs on Indeed.
